Can anybody believe this winter?? It is a Harris Hawk's dream winter! It has been so mild; my daffodils are starting to break ground!!!!

Here we are, half done with the hawking season. Let's hope we finally have some decent weather this time! As an added bonus, local IFO members Tim and Tanya Eaker have offered to host a post hawking gathering of friends. They are opening up

their party room they call the "Bears Den". There will be beef and Tanya's homemade chili to warm us up after a day in the field. If you want to bring something to share, please do. Can't wait to see you all there!

The Eakers home is a short 12min drive
